

Women's Alliance

Our Mission Statement

To empower, unite, and develop women through education, networking, mentoring, partnerships, and volunteerism while promoting opportunities for its members to grow and strengthen business and community endeavors helping them to become leaders in professional, business, community and civic organizations.

Our Benefits

The benefits of women working together for the betterment of the communities we serve are endless. In addition to assisting with coordinating chamber events, Alliance members are often asked to volunteer at them. Members will attend monthly networking luncheons, the annual Women's History Month scholarship luncheon program, scholarship golf tournament and awards banquet, and work with the South Tarrant Chamber Board to raise funds that support educational opportunities for the youth of Forest Hill, Everman, Fort Worth and Arlington.

Additionally, our events assist women business owners to establish relationships, develop business opportunities and provide tools for that will ensure continued successes.

Our Members

Members must be in good standing (dues paid in full) with the South Tarrant Chamber of Commerce. Membership is limited to 20 active businesswomen; there are no term limits. Those who are interested should attend a meeting or contact the Chamber Chair for more information.
